**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Although its not a fundamental right, all Americans deserve access to fast internet free of limits and anti-competitive policies. The internet drives industry and allows Americans to connect with the wider world. The price of internet should be going down not up.

Please do not repeal the 1996 Telecommunications Act

Thanks,

Alex
